

Its not just Soccer. Football, Baseball, Hockey, Basketball, MMA, Boxing and More!

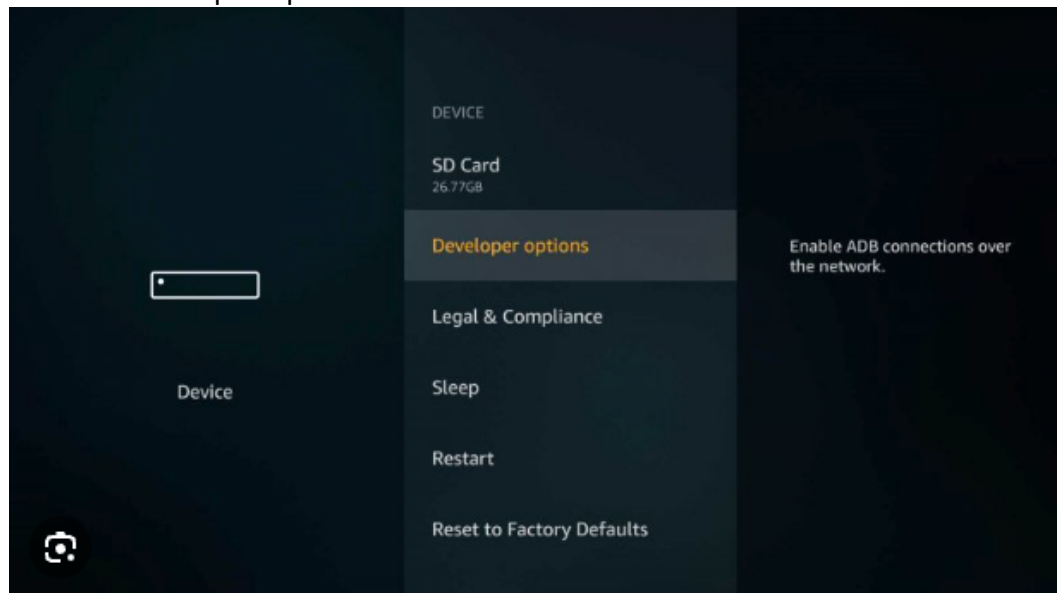

1. Login to your Fire Stick Account If you don't have one, create one.

2. Go to my Fire TV

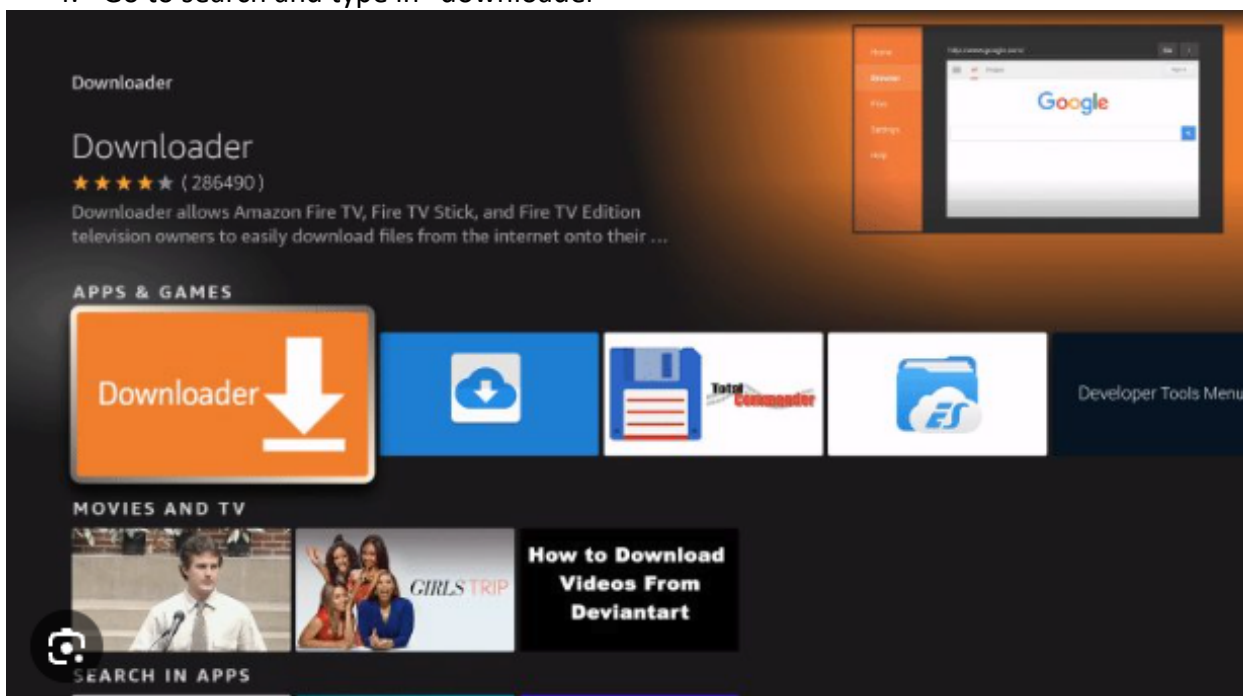

3. Look for Developer Options

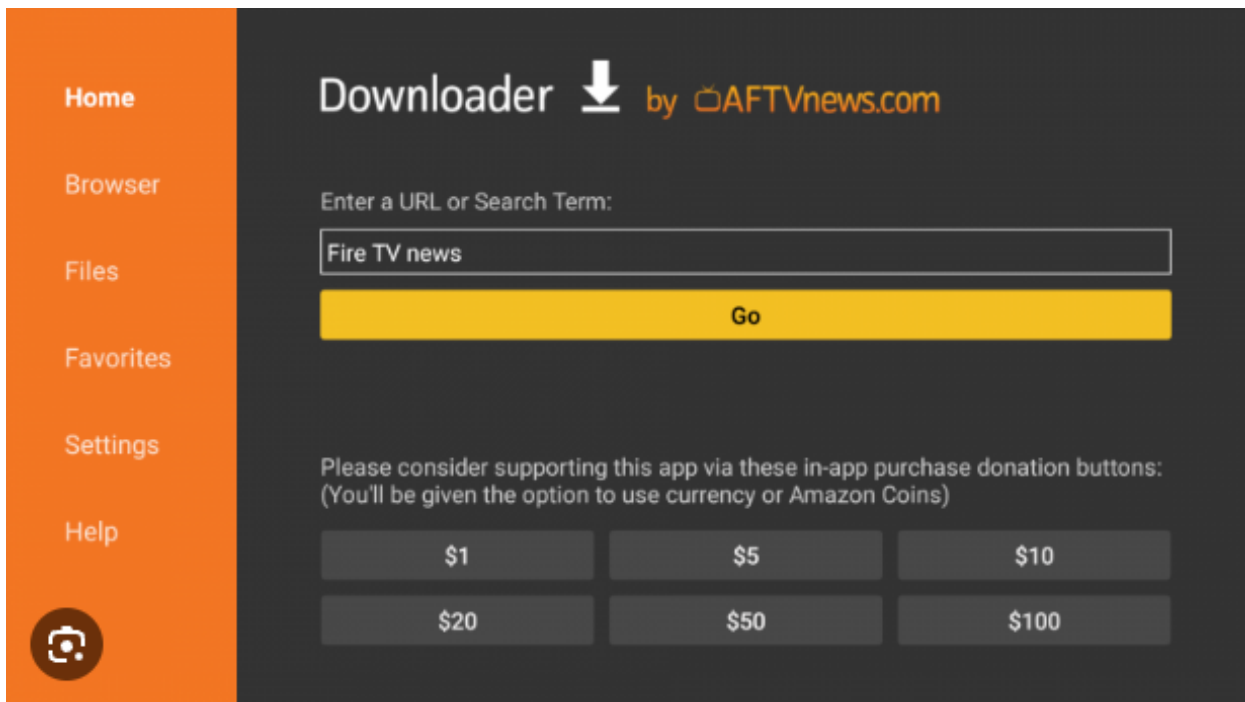

- a. **If no Developer Options** do the following:
- b. Go to My Fire Tv
- c. Go to About
- d. Click Fire TV Stick 7 Times (Developer option should show up)
- e. Go to Developer Options
- f. Click "ON" on ADB Debugging and Install Unknown apps

4. Go to search and type in "downloader"

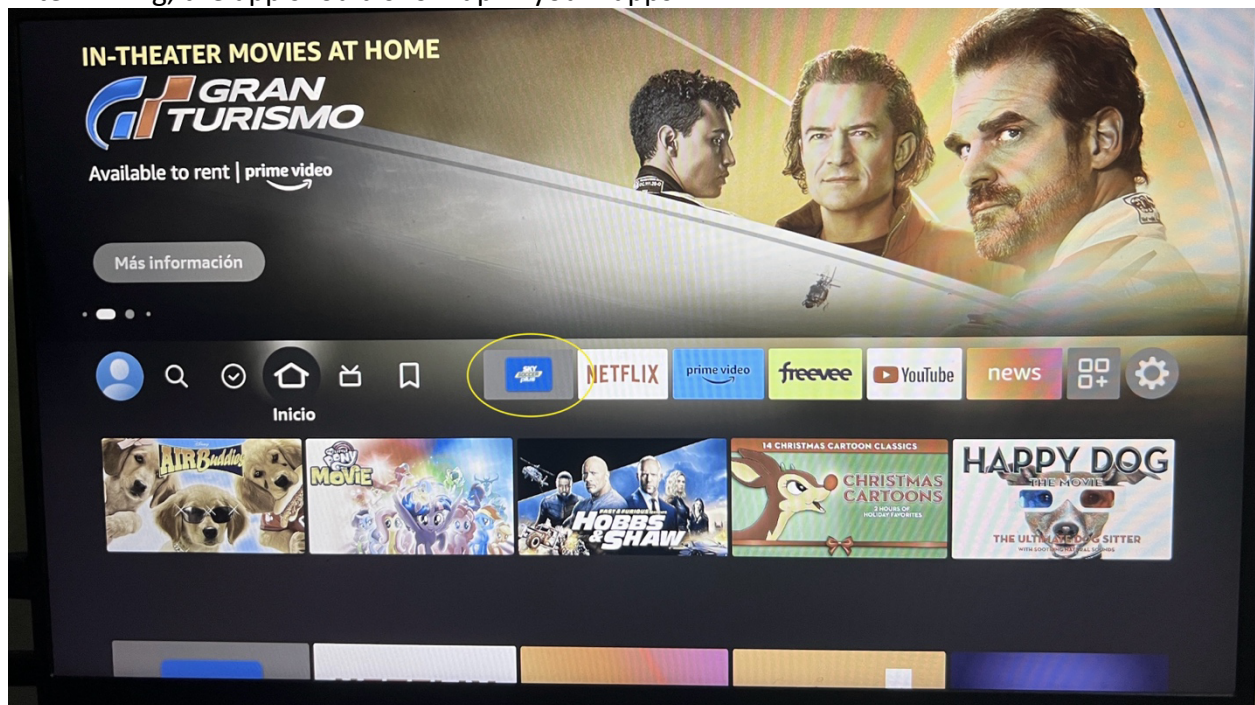

5. Proceed to download "downloader"
6. Input the following link (where it says Fire TV News on the next image):

<http://canal.skysoccerplus.tv/ssp.apk>

7. After linking, the app should show up in your “apps”

- a. For convenience, move it to the front of the line (not required).
8. When you first open the “SkySoccerPlus” app, it will say expired. Please provide the code **that is at the bottom of the page** when you first enter the app.
9. Voila! You are in. Make sure to check out both sports and movies section. You can do a search on movies.
